## EXTREME ALKALINE BATTERY 23A 1pc 12V

Code: 147-24141

### TECHNICAL DATA

|                            |                                                                                                        |
|----------------------------|--------------------------------------------------------------------------------------------------------|
| Series Number:             | Extreme Power Alkaline                                                                                 |
| Supply Voltage (V):        | 12V                                                                                                    |
| Operating Temperature °C:  | -20°C - +50°C                                                                                          |
| Product Material:          | Διοξειδίο Ψευδαργύρου-Μαγγανίου,<br>Περίβλημα: Αλουμίνιο/Zinc-<br>Manganese Dioxide, Jacket: Aluminium |
| Product Net Weight (kg):   | 0.092                                                                                                  |
| Product Gross Weight (kg): | 0.010                                                                                                  |
| Pieces per pack:           | 1                                                                                                      |
| Packing (pcs):             | 1/20/320                                                                                               |
| Packaging:                 | Child Safe Blister Pack                                                                                |
| Height:                    | 64mm                                                                                                   |
| Width:                     | 55mm                                                                                                   |
| Length:                    | 11.3mm                                                                                                 |
| Guarantee Eurolamp:        | 3 Χρόνια/3 Years                                                                                       |
| Certifications:            | Nau/Yes                                                                                                |
| CE Mark:                   | Nau/Yes                                                                                                |
| Battery Type:              | 23A                                                                                                    |
| Battery Capacity:          | 55mA                                                                                                   |
